## *President's Message*

Dear Beta Beta Sisters,

Excitement is building for our new Eta State NC President's theme and convention: Ready, Set, Grow! President Teresa has so many ideas about how to make our conventions more cost-effective and greener. We are going to need a lot of help starting immediately. As a chapter, we have been asked to contribute a gift basket for auction and a few door prizes. The gift basket should be themed and valued between \$30 and \$70. It can be a traditional basket or other container, and it can contain gift certificates, crafty items, or anything else we decide to include. If you are a master at these kinds of projects or are particularly well-connected for donated items, consider heading up this project. If you would prefer to help in a more general sense, there will be a signup genius for shifts at convention and other tasks that will require (wo)man power. While you are thinking of ways you can step up to help, the chapter will be in need of a president, vice-president, and treasurer to take office July 1. Please feel free to call or email any of the executive board for details regarding the time commitment and specific duties for each role.

In Sisterhood,  
Sharon
